“ *Best memory ever of Karen and Jerry. They went to the Super Bowl in Miami, FL when Peyton Manning was quarterback 2007. It had poured down rain the entire game (COLTS won).*

*When leaving the stadium, Jerry had to wait for Karen to go to the restroom. He leaned against a water fountain and got sprayed with water in the seat of his pants! He was already soaking wet!*

*Then they went back to their motel and while walking to the door, the sprinkler system came on and doused them again with water! We laughed and laughed about it! They had such fun!*
