“ When I started with Mauser in Sept. of 2020, Jerry was the first plant manager to reach out to me to provide any help and advice regarding the business and operations. We got to hang out in Indianapolis during a management training program in May 2022 and he shared with me a lot of his insights and knowledge. He was always willing to help and cared about the success of the company as a whole. He will be missed. Prayers go out to his family and the folks at the Delphi plant who will miss his leadership.

“ *A fellow plant manager, but we always called each other "brother". Jerry was a remarkably kind and good hearted man. One of the nicest people I've ever worked with. When Chicago fell on hard times, Jerry was the first to show up and lend a helping hand. Rest in Peace brother. You will be missed, but never forgotten.*

“ I only recently had the opportunity to meet Jerry through our work. Jerry was a very gracious and giving man as he reached out to me, shared knowledge about my new role in Mauser and was always willing to lend a hand. Team members here in the Cleveland plant knew him as well and he left a fond memory for all those here he touched. Rest in Peace and God Bless.

“ While visiting Jerry and Cindy at their home, my first trip to Indiana, Jerry's dad told me to ask Jerry about Cornhole. I had never heard of it, and knowing of Jerry's sense of humor, I was slightly leery of doing so. I didn't know if they were making it up to see how gullible I was, or if it was something tacky!! Needless to say, I played my first game of Cornhole that day, and in the end, we all had a big laugh! You will sorely be missed.
