“ I still can't believe your gone my friend. When you first told me you cancer I thought no way is it gonna take my friend. Always a strong guy and a worker. Ok so he had no taste in trucks ! Always driving some Ford or a Dodge lol ! That's what we always ragged each other about. I'm gonna miss that especially !!! The one good thing he did was marry Brenda ! Awesome girl that made him happy and I'm sure her too. I pray for the family through this tough time. We will miss you Jerry ! Every time I see a Ford or Dodge broke down along the road I will think of you and smile. Only wishing I could send you the picture ! Love you brother ! Rest till we see each other again !
