“ Jerry was one of those people who quietly went around giving TLC and support wherever and whenever needed. I was blessed to be in the same church with him for so many years, and I'm keeping his family in my prayers, love, and positive thoughts. They're all really good people, too. <3

“ Please accept my sympathies. Jerry was my high school classmate. He took pride in being the youngest member of our class. I have only fond memories of his quiet demeanor and subtle humor.

“ So sorry to hear about the loss of Jerry, friend, father and uncle. He was a wonderful person and always had a smile on his face. I enjoyed his greetings on Sunday mornings at church and the laughs and good times when we went to lunch after church. My dad enjoyed meeting Jerry for breakfast after they both retired. May God's comfort and guiding hand help everyone through this. He will be missed. Hugs and prayers to all.
