“ I know I am but a stranger but I wanted to say how sorry I am about your dear sweet baby girl. I live out of state but am home visiting an ill parent and saw the news of your loss in the paper. I too lost a baby girl 3 1/2 years ago, giving her to God the same day as I held her in my arms. Know that you are blessed to be Jessie-Lynne's mother and father, and that she will ALWAYS be a part of your family and a part of you. People will not understand your grief nor your longing for your daughter. But, it is the most authentic and beautiful love you will ever experience. In our angels short lives, they teach us a new depth of pain but also a new and higher depth of love and beauty. Honor her by living fully and being the best mother you can be. May God watch over you as you mend your hearts and souls. Know that your sweet Jessie-Lynne will never be forgotten! xoxox Veronika Hunter
