“ Last year through the Never Too Late organization I, along with my kindergarten class, had the privilege to meet Ms. Jewel. We were asked to be a part of a wonderful lifelong wish that Ms. Jewel had. When I agreed to help with this wonderful moment I had no idea the lifelong gift that we would receive that day. Ms. Jewel entered our hearts and will never leave. I don't know how many times over this past year my former students, their parents, and other teachers at my school have mentioned Ms. Jewel. I know that she inspired me to live my life happy each day, to treat others with kindness, and to be grateful for what I have. I wish you could see how the eyes of my students light up at the mention of Ms. Jewel. Ms. Jewel dreamed of being a teacher. She was... she was a teacher of life through her words and actions... and for that I am grateful that I had the chance to know her. Ms. Jewel we will miss your smiling face, but we know that you are now shining above us.
