“ I regret that I was unable to share my regrets in person, but I do want to let you and your family know that I am thinking of you at this time. Thinking of Jill in better times may bring comfort to you. When I think of her I remember much of our youth. Times we spent at school,cheering together, overnight slumber parties, and a lot of good times. She was a wonderful person and I know she will be sadly missed.

“ Jill was my hero. She had strength & courage beyond anyone I know. I can only hope to have the same someday. I will never forget Jill Holland. Everytime I get on that soccer field I will always remember her heel kick & her cherry pickin'. She was always positive & encouraging. I love Jill with all my heart.
