“ I didn't know Jillian or her family personally, only through an event posted on my daughters fb page. I followed little Julian's story for about a year. Prayers, tears and hope I shared for Jillian and her family. Indeed she was a special little child of God. Her journey is complete. God had another Angel. At rest, at last.

“ *Jillian always had such an infectious smile, putting everyone at ease around her. She was truly one of God's angels here on Earth long before He called her home to be at his side in Heaven. She touched so many lives and will be missed by all who were blessed to have known her. The family is in our thoughts and prayers.*

*My most memorable moment was when she came in bathroom at church one day sobbing. Someone had made fun of her for her hair. I hugged her tightly and told her she was way more beautiful then they were, maybe not the right thing to say, but she cheered up. Hugged me again, and gave that big beautiful smile. And doing her scrapbook.*
