“ Jamie and grandchildren, Larry, Jeannie and family: I just want you to know how sorry I am to hear about this. I've been following her illness for some time and have wanted to see her so bad but it just wasn't meant to be. Please know I thought so much of her. She was one of my oldest friends and we shared so much growing up. There were 4 of us and now there are 2. She always brightened my life and helped me through some really hard times. I loved her mom and dad too. I'll never forget the kindness of your family. My prayers are with all of you.
