“ Dear Leslie and Robin: As you know, I knew Darlene back when we were kids and we worked together. She was an intellegent and colorful personality. She loved to catch mistakes in the paper and found it absoltely hilarious - much to my chagrin, for I was the typist! I remember two things the most. One, she was proud of you both, but never in an outwardly arrogant sort of way; and two, she was a friend to me during that time in a most nonjudgmental way and I will always appreciate her for that. You and your family are in my thoughts this day. Sincerely, Cheryl

“ Robin and Lezlie: I was so sorry to hear of your mother's passing. I had been aware that she was in the Water's. Please know we are thinking of you and asking God's peace to be with you both. I will always remember her laugh and smile when we were in high school and her support of our class. Marty
