“ To my Uncle Walter and cousins and each of your families, I'm so sorry for your loss. Aunt Joanie was a sweet Aunt and I always enjoyed visiting with her and Uncle Walter. I think one year they had the extended family over and I believe Aunt Joanie served Chili and Vegetable Soup so I tried a little of each. She must have been a great cook. I always loved how the house was decorated. I did not know her middle name was Alice like my mom's first name was. Aunt Joanie will be missed by all of her family and friends. We are thinking of you all and keeping you in our prayers.

“ *Uncle Walter, Terri & Rick, Brad & Mary, Matt & Missy and families,*

*Thinking of times spent talking and catching up on visits through the years. Aunt Joan's love then and throughout eternity is evident. She was always busy about the house and yard, and set the example of a Proverbs 31 woman. Her legacy lives on in each of you. Prayers of comfort as only the Heavenly Father can comfort. I especially loved her voice and the way she spoke as she would tell us the latest happenings, and catch up on how everyone was doing. Faith and family were built in qualities, and we can all rise up and know how blessed we've been to have shared time with her. Until we meet again in Heaven, we'll all carry on the good work she has done here. For we know she has surely heard, "Well done good and faithful servant!"*

*Love and prayers,  
Muriel & Chris, Kayla and Kelly Coston*
