“ We are so sorry to hear of your family's loss. I cannot think of a better place to spend your last moments than with those that you love and are loved by you. It was a wonderful thing that you did taking care of her in her final days. I know she will be deeply missed. But know that she is with God now, and her suffering is no more. “ There will never be another one like Aunt Joan. I spent so much time with all of you while growing up and have so many wonderful memories from those days. I feel blessed to have known her and honored to have been named for her. I don't have the words to express the feelings of loss, or how much I love all of you. Take heart in knowing she will suffer no more and we will all see her again someday when our time comes - I'm sure she'll have the deck of cards, dominoes, and aggravation games waiting! I love you all - if there's anything you need, you know where to find me. Love,
Joni
