“ Dear John, I'm sorry we cannot attend your funeral. Old age has caused us health problems. I want to thank you for over 50 years of friendship. Reflecting back on the years at 629 Nichol Ave. until today, we have created many memories, from playing handball at the Y to racquet ball at Full Court. We enjoyed many matches and really didn't care who won. We shared many moments of joy and sorrow together. Whenever we met out somewhere we shared good times and even having meals together. Your children should be very proud of you for the love you gave with all your heart. Your legacy will carry on and we are very proud to have known you. R I P our dear friend. Don and Linda Brown
