“ To the Barber Family: I am so sorry to hear about John's death. My brother Mike called me from Florida to tell me. We both played Little League Baseball for John on the Lynch Corp. team at Madison Ave. John coached us to two tournament titles. What an inspiration he was to me as both a coach and a man. I was so fortunate to have known John for several years and to have been coached by him in baseball and in life. Coincidentally, last summer I was in Anderson and I made a special point to stop by and see John & Ann. I went to the house they used to live in 30 years ago but found out they had moved. I'm so sorry I didn't try harder to located them. I've learned a valuable lesson. Ann, please know I was thinking about you and John and the point of coming by was to thank you both, but especially John, for what he meant to me and how he influenced my life. John was the epitome of character and grace. I'm glad I kept my Little League pictures of which John is in a few and I will cherish those even more. Lastly, I would like to share my favorite verses in the Bible - John 14:1-4: "Let not your hearts be troubled; believe in God, believe also in me. In my Father's house are many rooms; if it were not so, would I have told you that I go to prepare a place for you? And when I go and prepare a place for you, I will come again and will take you to myself, that where I am you may be also. And you know the way where I am going." God bless you all, Jim Willis
