“ Our prayers are with you and your family. I'll never forget when he was at St. Vincents Hospital for some heart trouble and we came to visit. He said, "Thanks for coming to see me, but don't waste your time driving down hear to Indy. Get your asses back to work, you have a big meet coming up." He will be missed by many...

“ Sue & family: as anyone who knows me will know my relationship with John. I was touched by his passing. He was like a big brother to me growing up in the same neighborhood as John, He taught Me to ride motorcycles and let me have his motorcycle when I was 12-13 Years old & always let me work for him when they had openings at the Anderson Basketball games at the Wigwam for Coke always taking care of me. Memories I will never forget and will always remember, he always made me feel like I was one of the special guys. Last seen John at the Cider Run in 2010 in Brown County. Wanted to get with him on our Hot Rods & never took the time, wish I had now. I hope I have touched someone's life like John touched mine. Our thoughts are with you. Artie & Sharon Baker
