“ John was such a good man and father. Wherever he went, he knew or helped someone. My son's loved him. He was such a jokester! My deepest condolences to his entire family who are so loved, too!

“ Way back in time, when I was little. I can remember when John and Deanie were the children's church teachers at CCC. They gave us these little cards with Bible verses on them. We were supposed to memorize them so we could say the verse the next week in church before the children's church. Here I am almost 50 and I still remember the Bible verse I had and all the fun they planned for us kids! I will be praying for you all to set through this difficult time.
