“ Our lives are intertwined. Even though your image is not seen by the eye. The hearts that still beat keep you close. We will tread quietly through the emptiness left by your loss all the while knowing that we will be greeted by your warm smile when it is our time to come home. Like the roots that bind all good things together. You were Loved, you will be missed and your Kindness will never be forgotten. Blessed are all the loved ones left behind, for you are the branches for which the roots grow so nourish them with stories and tears of joy. My sorrow, my prayers are joined with yours.
