“ John was my dearest and best friend in the whole world. This old world was a better place for having had him in it. His love and kindness touched everyone who knew him. He will be greatly missed but, I know I will always have his love in my heart so it doesn't seem that he is too far away.

“ I was so sorry to hear of the death of Uncle John. I have many fond memories of being up at the lake with my grandparents, Uncle John and other members of my Dad's family. I remember the big smile he usually had on his face, his cheerful voice and zest for life. He and Aunt Sandy were always ready to take us out on their speedboat to have some fun or give a ready hug. Although I have not seen either of them for many years, I remember both Uncle John and Aunt Sandy with warmth and many fond memories. I pass on my condolences to his son John and my Aunt Sandy.

“ I would rather live knowing that John was my friend for a brief year or so, then to have lived my life without him. He had the kindest heart I've ever known. I will love, miss, and think about you everyday for the rest of my life. God bless you John and Johnny...you'll always be in my thoughts and prayers... just the way you were always in your Fathers.
