“ *Sorry to hear about John, but we know he is in a better place, May God be with you though this rough time and I hope to see you again.*

“ *GPA will be greatly missed!
He had a great love of music, movies, and the military. He loved God with all his heart and loved serving in his church. He had an adorable sense of humor and was always generous with the hugs!*

He wasn't a huge talker but he always loved just being around people and listening in.

Glad that he is now pain free and in heaven with his Savior!
