“ *The Eddy family has our deepest sympathy on the passing of John. Our times with John were great Sigma Chi memories. I had a long visit with him last homecoming at the house. As we age the memories and friendships from the past become more than just a memory. May the good Lord help the family continue to celebrate the memories as they adjust to a new chapter in their lives. Deepest Regards, Pete and Jane*

“ *Dear Sonya, please accept Esther's and my sincere, heart-felt condolences for John's recent death. We were really shocked to read the obituary in the Lafayette Journal & Courier this past weekend, because we were not aware of his illness. Although we didn't see one another that frequently, we were always appreciative of yours and John's most friendly greetings when we did meet at Purdue gatherings in West Lafayette and will always remember John, as the photograph portrayed him, with his great smile. May the loving arms of God enfold you and comfort you during your time of bereavement. And, please return to Purdue and your West Lafayette home now and then. Most sincerely, Chuck and Esther Boonstra*

“ *We'll always remember John's willingness to help in both big and little ways, and the time he brought back our favorite bar-b-que sauce when he was coming from Indiana to Fort Myers. To our regret, he was too busy to serve on our Board of Directors -- he would have been an outstanding addition to the board. We will miss him so very much but, as Christians, know that we will see him again. God bless you all. Frank and Elyse*

“ Mrs. Eddy. I was so sorry to hear of Mr. Eddy's passing. I have so many memories of him from my youth at Edgewood and Anderson High. And may God's grace carry you through these tough times. With a sad heart. David Fatzinger

“ I will always remember Mr. Eddy as a friendly gentleman, always quick with a smile, a handshake, and a supportive word. He walked the true walk, and lived his life as an example to all. Especially to all of us young hoopsters, who, over the years, would spend hours in the driveway of "Eddy Arena" playing basketball on their famous 7 foot hoop. Thanks for the lemonade, thanks for the memories, and thank you for being a positive role model.

“ I worked with John in the early fifties for the Purdue Agricultural Alumni Seed Improvement Association, Incorporated, walking through cornfields near Romney, Indiana. I also played basketball a year behind John at West Lafayette High School, but nowhere close to his league in talent. I last saw John and Sonya at last year's Purdue football homecoming. That's more than half a century of acquaintance. John approached life with a positive, "can do" spirit. He will be missed.

“ I first met Mr. Eddy at a Purdue football game in 1993. John spent most of the afternoon talking with my six year old son, Alex. Alex has never forgotten how nice John was and how much he learned from him in that short time. When Alex got home he told his mother all about the wonderful gentleman that he had met. I found out later that that it was not unusual for John to display this kindness. John was like that; very selfless and always willing to help others. He always remembered everyone and made them feel important. He was an exceptional man. Our thoughts and prayers are with his family at this time.
