Anderson - John Lawson, age 58. Born October 30, 1949, he died at Manor Care Nursing Home on August 20, 2008 with friends present and after a long brave battle with Cancer. He was a resident of Anderson for many years. Survivors are his many friends at Crossroads United Methodist Church. We are thankful for the many friends who embraced John and gave him support of encouragement with their prayers of acceptance. John worked different jobs throughout his lifetime. He had a giving spirit and enjoyed helping others when he could. He gave witness for the Lord every chance he got. Many thanks to Manor Care Nursing Home Hospice for the care John received and also for all of those who treated John during his illness.
