“Dad I love you! You will be dearly missed! I am so glad that I got to spend your last hours beside you. You were a great man, you were as rough as a grizzly bear, yet gentle as a teddy bear. You brought to families from two different worlds together as one, for that I will always love you. You was a man that never gave up and fought to the end. At least now you are at rest and living your life in the eternal house of God. I will love and miss forever!
