“ *Oh John.. when I was told the news you were gone my heart dropped!! Waiting on you for so many years with Pizza Hut , drawing you pictures that I knew were about the best a 5year old would do but you loved them! I'll always cherish the unicorns and all of talks and the advice you'd given me over the years ,how you helped me through losing my dad 5yr Ago , all the laughs and stories , I guess we shared more than I even realized you were truly an amazing person I'm so glad I got to know! My heart hurts so deeply for your family ,I just hope you are at peace now. Watch over loved ones , i look forward to seeing you on the other side big hugs
