“ I was very lucky to have known Neal the past 20 years. He always did my painting no matter where I lived. The last time he painted my entire downstairs I told him to pick the colors. As always he did a great job. Neal was professional but easy going, I could leave him at the house painting all by himself. He was very trustworthy. One time he put my dog out and gave him fresh water, he was that kind. I always enjoyed talking to him and most of the time he talked about his children and his new wife Noelle. Neal loved his family and loved his life. I'm sad and blessed to have known him. May his family know how very much he loved them, and keep him in their hearts and memories. I will be keeping all of you in my thoughts and prayers. Nancy Owens Todd
