“ I remember Johnny during our days at North Side Middle School and although I had not seen nor heard from him after he transferred to Highland from Anderson after just 2 years. I was shocked to learn of his death when it was reported in the Herald Bulletin and I hope that his family knows that he hasn't been forgotten by his friends and former classmates. May God's blessings be showered upon you as you remember Johnny's life during this time.

“ I have many memories of Johnny who always treated me like a best friend. He had a unique gift for making everyone his friend. He always had this twinkle in his eye that seemed very serene. I will miss chatting with him online as he occasionally would with me and i will miss just hanging out with him at his mothers house in Anderson Indiana. I new Johnny through my best friend Jesus Escobar and first met him over 18 years ago and have many memories of fun times with him. I send my deepest sympathy to the Chapman family and all those who were close to Johnny. He was truly blessed and very special indeed. From my heart to his heart. With love, Zach Towriss PS.
