“ My son, I'm so proud of you. You are always such a joy, such a beautiful person. The love in your eyes is so moving and rewarding, and I know you see and feel the infinite Love I have for you. Whatever you do, wherever you go, always know I am with you in the spirit. Love forever and always, your Mother.

“ We didn't know that morning, God was going to call your name. In life we loved you dearly, In death, we do the same. It broke our hearts to loose you, You did not go alone. For part of us went with you, The day God called you home. You left us peaceful memories, Your love is still our guide. And though we cannot see you, You are always by our side. Our family chain is broken And nothing seems the same. But as God calls us one by one, The chain will link again. You are forever in our hearts, With love, Mom, brothers, sister, nieces, and nephews
