“ Dave was all about family! I will always think about how much he loved them and cared for them. He helped with all the kids activities at church. We worked in the kitchen more than once. I remember once when the kitchen sink stopped up at a Dinner in the dark- Dave carried water outside. He was really kind and helpful. Another time we ran into the Lewis clan at the State Fair. They were happy, having fun, laughing, and sun burned. When I saw him working at CVS he would give me an update on the family. He was proud of the kids! Happy that that Suzanne got her nursing degree and now he was getting a chance to get his degree too. I sure don't know God's plan here. We will keep the Lewis family in our thoughts and prayers. You are loved and cared for!
