“ *"Accidents happen, that's what they all say. That's why you are gone, oh so far away. A young life lost, to great heaven above. Flying away like a beautiful dove. A handsome guy, with a thousand great friends, None of whose hearts will ever mend. A bright young kid, always wearing a smile; Always willing to sacrifice and go the extra mile. Some people talk, and yea they will chatter. But we keep your family and friends strong, that's the real matter. You have bright new angel wings, And heaven rejoiced and oh, did they sing. A young boy with the most tender heart, you care and watch over us never really to part. Now you are safe, and away from all harm. But we will all miss your amazing charm. Watch over us from above" - Anonymous I miss you Jordan.*

“ I was at a loss hearing of your loss. I can not begin to try and understand the pain you have felt. I would hate to think about the loss of a loved one. I hope all is as well as to be expected. If you need anything please call on me. Jordan was a young life taken early. Your family has always been very strong and I know in my heart everyone will survive with time. I can not begin to express my sorrow. I am reminded of a quote; "Then the voice of the Lord saying, "Whom shall I send? And who will go for us? And Jordan said "Here I am, send me for I will not let you down." I hope this finds you well in your time of grief. Jordan was a very bright person and was the light of the world, He that followed him didn't have to walk in the darkness, but had the light of the world in his present.
