“ Brooke, I am very sorry for your loss, Joey and I were great friends at Pendleton High School. We were also fellow brothers in arms and he will be greatly missed. I always appreciated the way joey made us all laugh. I know that Joey influenced me in my life, and it has definatly made me a better person for knowing him. I just wish we had another 40 years with him, but I look forward to the eternity we can laugh together another day.
