“ I am a long time friend of the family. Our families grew up in Elwood, Ind. I remain in contact with Joe's Mother, Ellen. Joe would e-mail me occasionally about his Mother. He was a wonderful person. So devoted to his family. I loved him dearly. His Mother wrote glowing reports of all her family. She is so proud of each & every one of them.

“ To the Graham Family, Fonda & I want to express our condolences to Katie and Joe's family. Joe was a great friend and very compassionate person. Joe was very wise and I often passed on things I learned from his kind words. In that way Joe will always be with me. May God comfort you with his love and mercy.

“ Polly, I put myself in your situation and can understand the grief you are feeling during this time. Hold on to the memories you and Joe had as a young married couple. Even though time changes things, you still have wonderful children together and that bond can never be broken. My heart goes out to you and your children.

“ *I'm so sorry that Joe is gone. I'm grateful to have known him, played tennis with him, and to have met his great family. You don't leave behind what Joe left without living with integrity and honor for the years he was here. My fondest memories of Joe are on the tennis court, since that's how I met him. He played with grace and joy. He was able to beat you to a pulp and still make you feel good about your game--a sign of a true winner. As with all who pass before us, the occasion has a way of making us yearn to have known him better. To know his experiences, his dreams and what made him who he was. It's quite hard to feel gratitude at a time like this--all we can feel is sorrow and pain. But for those people who loved Joe and who knew him, can glance skyward today and know that heaven is a better place because Joe Graham is there. God bless the family. My prayers are with you. Bill*
