“ *I knew Joe from my working relationship with him at Fall Creek when I was working at GRW Engineers. Undoubtably Joe was the nicest man that I have interacted with in my professional career. Besides being very professional, he was also very kind and respectful to everyone. But my favorite memories of Joe were on the golf course. He loved golf and we played in numerous fundraising events together, and always ended up laughing so hard we would sometimes cry. He was a blessing to this world and I'm sure he will be sorely missed by his family. Greg Wright.*
