“ Joe and I were very good friends as well as working together at good old "Guided Lantern" for many years - we were among a group of people that pioneered a computer generated design and tooling program that preceded what is now used almost universally. Joe was a great guy and I give my condolences to his family as I am sure he will very missed.

*We was so shocked to see that our awesome Brother-In\_Law has passed away. Joe was a very kind and loving person. He always treated us with love and kindness. My prayers will be with Roxanna, Krista, Scott, and Jo Dean, and rest of their family. Know we love you all so much and hurt deeply that Joe has left us. R.I.P. Joe, you will be missed by us all... Shirley, Lester Cox, Jim and Allen Brown.*
