“ Aunt Sandy, You are in my thoughts and remember those we love remain part of us through the days, weeks, months and years. "Our loved ones leave the world, but never our hearts." God\'s peace, which is so great we cannot understand it, will keep your hearts and minds in Christ Jesus. Philippians 4:7. Your family, friends and love ones will be here by your side to help ease your pain; to share your tears and laughter through the tough times ahead, as well as, the good ones. Love, Sherry Rodgers

“ Aunt Sandy, I am so sorry you are having to go through this and I know that learning to live life without Joe will be difficult. May you find comfort in knowing he truly is in a better place without any of the pains or cares of this world. May you find strength in knowing that God will carry you through moment by moment along this journey called life. Your family and friends love you and will be there by your side. Love, Connie

“ Seems like a lifetime since you've gone away. I often think about you and about the wonderful person you were. The Grandchildren loved you dearly. But nobody loved you the way Grandma Sandy did. She thought the world of you ... Actually we all did. It was a great honor to call you family. Just know you are in our thoughts always. Tess had the first Great Grandson Kholton you would have loved him as much as I know he would have loved you. I refuse to say goodbye because I know someday I will see you again in the future. God Bless, Lika
