“ *Justin and Family: I had just seen Josh two weeks ago and had talked about the fun we had in sixth grade at 25th Street School. I tried to fill him in on a few of the other classmates that I knew about. He was telling me about starting to underwater welding school in July and was looking forward to it. Please know that I will remember the smiling face and the good times I had as his teacher. God Bless and comfort all of you and keep Joshua safe in Heaven until we see him again.*

“ Justin, I am VERY SORRY to hear about the loss of your brother. I don't know if you remember me or not, but we went to school together. When I heard about your brother, I wanted you to know I was thinking about you and hope you and your family are coping during this tragic time of your life. The best support and encouragement we can get is from our family and from God's Word the Bible. We are living in a very wicked world, but God has given us a wonderful hope for the future. If you are interested in finding out more, later on, about God's wonderful hope, please get in touch with me. I am still one of Jehovah's Witnesses and I live in Noblesville now, and go to the Kingdom Hall there. I just wanted to write and tell you I'm sorry for your loss and that I was thinking of you!
