

Joslin Bronnenberg

September 5, 1994 - April 28, 2024

Joslin Bronnenberg was born in Anderson, Indiana, on September 5, 1994, and lost her battle with mental health on April 28th 2024.

Joslin loved animals and standing up for animal rights. She always took in the ones who she knew needed her; the ones that needed the love she could provide to them. She was very picky on where her fosters went, so if you adopted one of her fosters, you passed her high expectations. Animals were her passion. She wanted to end backyard breeding and animal cruelty. Could she be abrasive, yes, but she did it all with a big heart and I was/am extremely proud of her and all of her efforts.

Joslin was feisty, independent, and had a huge heart. She loved to travel and see new places. She was always up for a road trip. She enjoyed walks/hiking, especially with her dogs. Joslin loved fiercely which sometimes left her heartbroken. She didn't always feel like she was good enough, a battle she constantly fought.

She is survived by her loving mother, Gina; grandpa, Doug, and many great-aunts, uncles, cousins and her dogs.

She was preceded in death by her great-grandparents, grandparents, and a special aunt.

This is something no parent should have to do, type their child's obituary. If you are struggling with mental health issues, please please reach out for help. I understand that sometimes the pain is just too much to continue, but please reach out for help. Rest easy my precious girl and always remember how much I loved you. You were my sunshine. I love you to the moon and so much more.

Visitation will be held on Thursday, May 2, 2024, 5:00 pm - 6:00 pm, at Loose Funeral Homes & Crematory, 200 W. 53rd St., Anderson, IN 46013.

In lieu of flowers, please make a donation to The Animal Protection League, www.inapl.org, that is where Joslin's heart was and what she would want.

“ *I did not know her but saw her on facebook. She was a beautiful girl and both my granddaughters were friends with her. They also volunteer at the shelter. My heart breaks for your pain but at least she no longer suffers. Sending as much love as my heart holds for a parent who has lost their child.*

“ We originally got to know Joslin through her boarding services for our two dogs. They loved going there and when we would say "Camp Joslin" they got very excited. We admired of her protective spirit and her entrepreneurialism. One of dogs is mostly blind and she had such compassion for her even joking about putting a helmet on her since she keeps bumping into walls with her face.

She was already a guardian angel and voice for the animals who needed help. She will truly be missed in so many ways.

“ *Joslin fostered our pup, Farley, three years ago and kept his brother, Fabio. Every couple months the dogs would do something extra silly and we would text each other with pictures and give updates on their crazy antics! It was so nice to have someone who understood their weird and wonderful mannerisms! She cared so very deeply for her fur babies. I will always appreciate the messages I shared with her. RIP Joslin Bronnenberg.*

“ I knew a good soul only a short amount of time. I was a volunteer at the League. One night the maintenance man Kyle and I had a conversation with her as she was leaving for the night. She stepped out of her vehicle and there was blood all over her pants. Thank God it was not hers. She had protected a dog from attack at the dog park. The dog park is just south of the APL. She was a beautiful good soul and will be sorely missed. Bless you Joslin, and may you find paradise at that shelter in the Heavens.

“ Joslin had a heart 10 times bigger than her personality. For those who were lucky enough to spend time in her light, know that she loved fiercely.

Her love for animals was unmatched. Her friends, co-workers and dogs were her chosen family and she would move mountains for any soul in need.

Joslin's work ethic was just as strong as her passion for animals. Always the first to volunteer in any endeavor, she led the charge with humor and fierce determination to get the job done.

She loved singing and laughing, things she did loudly and with the backing of her soul! It was infectious.

She loved to travel and would enjoy loading up the pups and taking them on road trips.

She loved the ocean and found solace in her song of crashing waves. She was brilliant and could teach herself to learn anything new. She was funny, curious and witty. And she will be missed dearly.

We will forever miss her and mourn the loss of such a beautiful and kind soul. Those that burn brightest, burn out the fastest.

“Caroline”, we know you have an army of grateful hearts and wagging tails surrounding you. May you find everlasting love and peace. We will see you when we get there.

*I Love you,
“Jackie”*

I looked up to Joslin so much! She was my inspiration, role model and someone I knew I could count on! She had my back and truly cared! Our friendship might have not been as long as others but it was a strong one. She understood me! I will forever be grateful for her and all the things she taught me about fostering and helping animals in need. She will be truly missed!

Joslin was an amazing human. She was feisty, sassy and her sense of humor was amazing. The human and animal world will never be the same. She truly made a difference in her short time on thos earth. I'll miss that sassy beauty more than anything.
