“ Scott, I am so sorry to hear about your mother passing away. I pray that God gives you the strength and patience to carry you through this time of difficulty. My deepest sympathy goes out to you and your family as you struggle through the grief and sadness. Though there are no words to ease your pain remember that your mother is now in heaven in Gods loving arms where she is now at peace. I do not think you were aware that my mother passed away a couple of years ago also from ALS. She suffered for several years from this terrible illness and it was a devastating loss. So, I want you to know that I feel your pain but also know that God will see you through it. We can never be separated from those we love, because God leaves us with memories to hold and love that do not pass away. Please know that you and your family are in my thoughts and prayers. “ To think of Joy surrounded by her children in sweet melody, reaching for the heavens with a song in her heart, is a beautiful image of a loving Mother. For her daughter, and Diana's brothers, a prayer of peace to you all. Cinda Smith
