“ *Stunned and saddened by the news. My daughter and I met Joyce, David and her friend Marcia in Grand Cayman, and enjoyed her fun, friendly, out going nature. We had a great time enjoying lots of talking and sun throughout our time, and remained FB friends in the years that followed. We always hoped to get together again. Thankful they are together in eternity.*

“ I am heartbroken for the sorrow you are all experiencing. Joyce was a beautiful woman that I always admired and would silently watch in the pews of South Meridian. Along side her

beautiful husband who always had a smile for me. I love you all and I am so, so sorry.
