“ Dear Don, Pat Fredericks St. Mary's H.S.'57 told me today of your inconsolable loss. My deepest sympathies and God Bless your family in this time of profound grief. It is probable you do not remember me, but I remember you. My soft spot today for a good magician's act is forever traceable to you and the time in 3rd or 4th grade a magician came to St. Mary's and hypnotized you and made you float in the air. B.J.
