“ *I'm so sorry to hear about Joyce passing away. I had the pleasure of working with her at General Motors, and she was always a good conversationalist and a very pleasant and nice person. I ran into her a few years ago at Bob Evans, before I had hip replacement surgery, and she wished me well on my surgery, which I thought was very thoughtful of her. The Carter family have my condolences on the loss of this fine lady, who will be missed by many.*
