“Joyce was a sweet, kind and gentle person. I did not know her very long but I found out early that she was also a caring person that would help most anybody. I know she is not in pain anymore and that she is smiling down on us. I give my prayers and thoughts to the family and close friends of Joyce. Thank you, Joyce for being you.

“ I can remember playing with Gay and Kay as little girls when we would come to visit Uncle George & Aunt Ruby. The twins were 6 weeks older than I was, and at that age it was cool to be the oldest. The last time I saw Gay was at Uncle George's funeral, and I thought how pretty she was, and how much she looked like her Mother. I am sorry for your loss, and our prayers are with your family. Mother, Bob, Janet & Don also send their condolences. God Bless.

“ Joyce had the best sense of humor I have ever seen in a person that was suffering the way she was, she always had a smile and was willing to help anyone in any way. She lived for her kids and grand kids and no one meant more to her. She will be sorely missed by everyone whose life she touched she was the only sister I ever had and I will have a hole in my heart forever filled with memories of her sweet smile and the love she gave me.

“ *What can I say about such a wonderful, unjudging, and kind hearted woman Joyce was. Some of my best memories were spent at her house. She took me in and fed me when I had nowhere else to go. She treated me as if I was family and I will never forget the generosity she showed me. My thoughts and prayers are with each and everyone of her family members. I love you all and god bless.*
