“ My deepest sympathy to Jill, Betty Jo and all the family for your loss. I have so many wonderful memories of our time together, it would be impossible to just name one. So aptly named, she brought Joy to my life and many others. See you on the other side, partner.

“ Joy was a kind, funny, thoughtful person. I enjoyed working with her at the Anderson License Branch for nearly 7 years. May she rest in the arms of our Heavenly father, her beloved husband Gary and all of her precious fur babies.

“ I worked with Joy for a couple years at the Noblesville BMV and absolutely loved her personality! She always would randomly just have something to say or just randomly say "doo-da-doo". After she retired we used to just randomly do it to keep her cheerful spirit inside the branch. When I heard of her passing, those of us that are still there that worked with her gave a "doo-da-doo". Miss Joy you will be greatly missed!

“ I remember when Joy became my sister in-law. One Thanksgiving after dinner at Moms house we were playing cards. There was a paper table cloth with turkeys on it and we ended up cutting out all the turkeys. It was pretty funny at the time and I think everyone took theirs home. Mom really enjoyed visiting with Joy. In later yrs she would come to visit and my mom would be by Avon, What a perfect name for her because she was always a Joy to be around. Love and hugs Joy till we meet again. Marie Pruett Arnold.
