“ Our Mom was the most wonderful human being. She cared about everyone! She loved her children more than herself. I still can't believe she's not with us. Anyone that has met her knows how beautiful her heart and soul is. Mom you are so missed. Not one minute goes by your not with me. What a tragedy you had to go through. We all should have been there. We found out way too late. You my role model my everything. Give lots of hugs to Dad and your mommy and daddy. They were just as amazing as you are! Love you miss you dearly.
Love your daughter Trena.
