“ Heather, Janet and others, I wanted to let you know that I am sorry to hear about the loss of your Grandmother and Sister. Judith certainly left an impression to those she met in passing- like me. A woman of strength and character. I am sure the world is a much better place for having her here for this short time. God bless your family as you cherish the memories and live the legacy Judith leaves behind. Always love, Jane Potee and Family, Muncie IN

“ I would like to extend my sincere condolences to the Bloyd Family. It seems so unfair that death should have the power to take away your loved one. And when it happens, the thought of never again being able to talk to, laugh with, or hold your loved one can be most difficult to bear. That pain is not necessarily erased by being told that your loved one is up in heaven. The Bible, however, holds out a much different hope. It is God's desire and promise that you see Judith again in the near future, not in an unknown heaven but right here on earth under peaceful, righteous conditions where death will be no more. Please read these promises at John 5;28,29; Psalms 37;29; and Rev. 21;3,4. No doubt your heart yearns to see Judith again. It would be my pleasure to assist you in learning how you can make this sure hope your very own. Take care,
