“ *Richard and the Drake brothers. I am so sorry to see your mother has passed away. What a wonderful lady and mother you guys were lucky to have. I moved to Florida several years ago and often think of you all. I will treasure the many made to order breakfasts Mom Judy fixed Richard and myself when we could sneak away from school. Such a fun lady who always brightened the day with her wonderful spirit. I am certain the Lord has a special place for her. God Bless you all and your families. Love to hear from you. Wally*

“ *Another milestone has jumped up and smacked me in the face and heart. Judy and I attended St. Mary's School together from Grade 1 to Graduation and we were the best of friends. We were as close as sisters and saw one another almost every day until after Graduation when we went our separate ways. What I most remember is the way we used to laugh together until we cried and that is an exhilarating feeling. Judy, you live on fondly in my memory. My condolences to the family. Kay Kurtz Pattison*
