“ *I recently told Julie that her mom sent birthday cards, on my sister's birthday, to my mother for 45 years after she died in 1976. She also wrote a glowing reference letter for me for my internship and first job back in the mid 80's. She was a jewel! She was family! She will be missed.*

Judy was such a beautiful soul. She brightened everyone's day with just her smile. She touched everyone she encountered. May she rest in peace in Heaven alongside Glen. She will be sorely missed!

It is so hard to believe that Judy has gone to Heaven, after such a tragic accident. She became such a wonderful friend and confidante to me after we lost our husbands one day apart in April 2016. We could share together for hours about our mutual grief, our broken hearts, and how we could lean on each other for love and support. I cherish those times we had together, and I am so thankful for that. I prayed so hard for her recovery, but it was not to be. Only GOD knows why she couldn't recover and we have to trust that HE knows what is best for all of us. My heart goes out to Julie and John and granddaughters and the void now in their lives. They had wonderful parents in Glenn and Judy. May GOD BLESS YOU with peace and comfort. I love you all, Cousin Sharon Reed
