“ John and Tim,
I was sorry to read the paper about the passing of your Mother. She was a great fan for both of you and sat thru many a ballgame to support not only you but the teams on which you played. She and your Dad were great supporters and I always appreciated them. Wanted to send my condolences to you both.

“ I was in sorority with Judy for many years. She was a warm and loving person. She gave of herself and was always willing to help others. When I would see her years after, we she always had time to chat. So sorry for your loss.
