“ Dear Fogle, Lykins, and Brand family and friends: Please accept my heartfelt sympathies for your loss. Thinking of you, wishing you hope in the midst of sorrow and comfort in the midst of pain. May the peace, which comes from the memories of love shared and the love of those around you comfort you now and in the days ahead. They say memories are golden well maybe that is true. I never wanted memories, I only wanted you. A million times I needed you, a million times I cried. If love alone could have saved you you never would have died. In life I loved you dearly, In death I love you still. In my heart you hold a place no one could ever fill. If tears could build a stairway and heartache make a lane, I'd walk the path to heaven and bring you back again. Our family chain is broken, and nothing seems the same. But as God calls us one by one, the chain will link again. ~Author unknown
