“ Judy always brightened my day when she would come to my studio or me going to her home to do her nails. She was a wonderful person and I will miss her dearly! To the family, you all are in my prayers. It was a blessing knowing Judy.

“ Oh my heavens. I am so sorry for your loss. Judy K was so marvelous to work with and I can hear her laugh even now. We would come into work a little bleary and discover that we had both been talking with Asia in the middle of the night. Judy K dealt with some of the most cantankerous folk I have ever met and she did it with grace and good humor... We miss you.

“ Judy K and I worked together in the Food & Beverage Dept. at the Indianapolis Motor Speedway. I was so sad to hear of her passing. I just learned about it today. I did not know she was ill. We lost contact after she left IMS. I send my sincere sympathy to her family. She was a fun person to be around.

“ I had the honor of working with Judy K. at the Indianapolis Motor Speedway. She and I had so much fun together working the events, managing all the general excitement. I'll never forget her - she was loved by all. She took such good care of her team. She also made us put a quarter in the swear jar at our team meetings which was hilarious. Sometimes teammates would swear just to get a rise out of her and the quarters would fly. I'll never forget her. Ever.

“ *Black and white checked fingernails for race week, frogs in Puerto Rico, "where's the bus???" in NJ, cards and Christmas letters filled with confetti, and the great photo of you and your mom crossing "the Bricks" in your little red car....Judy K., a true friend who could always make me laugh....you are already missed.*
