“ *I was so sorry to hear about the death of Juhl Baker. It seems so unfair that death should have the power to take away someone you love. And when it happens, the thought of never again being able to talk to, laugh with, or hold your loved one can be most difficult to bear. When I lost my mother to Cancer, it was very devastating. What comforted me are the words found in the Bible for the future. Jesus Christ promised that millions now dead will live again on this earth and have the prospect of remaining on it forever under peaceful, paradisaic conditions. Yes very soon no one will say they are sick. Revelation 21:3, 4 Isaiah 33:24 May the God of comfort be with you. Sincerely, Ms. Floyd*
