“ She was my best friend. She understood me better than anybody could. She loved me very much, and comforted me when I really needed it. I loved being with her and the kids. Taking them out to eat, cuddling, or just horsing around. I can't believe it's been more than a year, I love her with all of my heart & soul. The kids and I miss her so much. I can hardly wait until the day we meet again, and living without her is the worst thing I've ever felt, ever. She is my soul mate, my true love, now and always. I forever will be in pain until we are once again together. I'll always love you w/ all my heart and soul, forever & always my Julie Baby!

“ Nicki & Family, We are so very sorry to hear of your unbelievable loss. Julie was so funny & bubbly as we recall during all those Meadowbrook softball games as well as a great player! I'm sure Casey has many more memories of her during all those school years at 25th St. Nicki, my heart really goes out to you now as I just can't imagine what you must be going through. God love & keep you. Try to take comfort in the two parts of herself that she left behind for you to love. She really was great fun & I'm sure she'll be terribly missed by all who knew & loved her. Our prayers are with you & your family at this most difficult time. God bless you all. Betty & Casey Johnson & family
